<b>VINCE WOOD POWER TEAM</b>		<b>2ND PLACE</b>							

***BEST LIFTERS- JENNY LANNA, SHAQUILLIE LAWRENCE, LUIS PEREZ, JAMES SANTIAGO, ABNER NAZARIO, SAM LETSON and KEVIN JACKSON. Another great meet for the WNPFI!! 60 lifters, mostly full meet and we finished at our projected time 4:30pm. None of this can happen without a GREAT STAFF! Many, many thanks to Kathi Sottosanti my announcer, Adrian better watch out. Thanks to Barbara my great scorekeeper, she's the best. Thanks to my doorpersons Danette and Kelly Rolon. Thanks to my spotters- Chuck, Alex, Perry and Mark, these guys loaded and unloaded quickly and kept the meet moving. Thanks to my judges- Ron Ehrhardt, Jim Sullivan,***

***Bob Derisi and Annette Schneidmill, they make good and fair calls, cheer on lifters and help them when they fail with some advice on how to get their lifts passed the next time. Also thanks to Eric Leblanc my right hand man for keeping things flowing throughout the meet. Thanks to the many lifters that gave the WNPF a chance by entering our event and showing what they can do. Thanks to the spectators that came to cheer on all of the lifters when they stepped on the platform. Thanks to Pete Gisoni and the Missing Link Team, thanks to Vince Wood and the Body By Vince Team and thanks to Wade Miller and Team Pulse. We will see everyone again either in October at worlds (everyone that placed today qualified) or in December at the 21<sup>st</sup> Sarge McCray event. (WNPF)***
