*Thanks to all of the lifters that attended this event, everyone did an outstanding job! Thanks to all the spectators that came out to cheer everyone on and thanks to my staff for putting on another great event, we can't do these meets without you! I wanted to mention that Ronald Slade returned to the platform from having a heart attack last year and he did great, Tee Myers dedicated his lifts to Ron which was a great thing to do. Thanks Tee! Thanks to Tony Caterisano for allowing us to host our meets at Furman for almost two decades. We will see everyone on October 14<sup>th</sup> at Furman.*
